

Approval Letter

Institutional Review Board Approval Letter For the Protection of Human Subjects

Date of letter: November 10, 2025

Approval Letter

Principal Investigator: Fabio Correa

Title of Dissertation/Research Study:

Artificial Intelligence Readiness Score: Extending Model for Enterprise AI Adoption

Student ID#: T00571337

Date: November 10, 2025

Your application to IRB to collect data for your research has been reviewed and it appears to meet the requirements for protection of human subjects. Based on this, the TUW Institutional Review Board has determined to approve your application. This approval is valid for one year from the date of this letter. In case any need for modification, complete the modification form and submit to IRB for review.

Sincerely,

Aldwin Domingo Ph.D. IRB Chair
